

• Make Going Green good for Everyone! The ReCycle Cycle is so easy to SPONSOR that everyone will want to! Check out the ways we can make you and your SPONSORS look good!

THE WASTE-OF-ENERGY MACHINE!

It whirls, pumps, pedals and makes noise but does absolutely nothing! (and most kids could watch it for days, just like TV)

• RECYCLE-BALL GAME!
Big Fun and SPONSOR Prizes for Everyone!
Contestants are shown found objects and have to identify it as TRASH or RECYCLE-ABLE. by making the right basket.

• The Perfect Spot for a SPONSORS logo or ad!

A ROLLICKING ROLLING RECYCLING ACTIVITY CENTER!

The Recycle Cycle is created entirely of reclaimed or recycled parts put to the task of educating and entertaining. It is a rolling lesson in the value of the environment and its resources delivered with fun and function. Watch the eyes light up and smiles broaden as this oddball auto cuts a colorful path through any fair or festival.

GOOFY GOLFBALL GAME
Drop the ball and watch as it is ReDuced, ReUsed or ReCycled back to where it belongs!
(It's the only toy that puts itself away!)

• Space for SPONSOR SIGN!
Easily Seen in the Scene!

REDUCE, REUSE AND RECYCLE IN A RE-DICULOUS WAY!

When the Recycle Cycle stops to perform the environment lights up with action, sound and excitement. Kids and adults alike will be encouraged to participate in any number of the on-board ecological activities. These games are broken up long enough for the Goofball Garbage Man to perform a show of juggling, balancing and stunts all using recovered trash and recycled humor.
